Private Kindness Walk

A Kindness Walk is a volunteering activity where we go out on the streets and serve food and necessities to people experiencing homelessness, street cleaners, and the elderly.

We warmly welcome you to join our activity, learn more about the challenges faced by people experiencing homelessness, and share warmth with the community through distributing snacks and necessities.

About ImpactHK

Founded in 2017, ImpactHK is a local charity that serves people experiencing homelessness. At ImpactHK, we believe that everyone should have a safe place to call home. We work with people experiencing homelessness to help them settle into a safe home, restore their mental and physical well-being, build their self-esteem, and discover their purpose.

We are not only out on the streets every day serving our friends. Education is also a big part of what we do, whether that's raising awareness about homelessness in Hong Kong or challenging misconceptions.
